

# ANNUAL REPORT 2023

TAKE A LOOK AT ALL THAT WE HAVE ACOMPLISHED THIS PAST YEAR!

Dear East End Community Members,

East End United Community Center (EEUCC) strived for major growth in 2023, literally! In the 48th year since the inception of EEUCC we ramped up plans to add 450 feet of extra office space, and 468-foot addition to our Pre-K Daycare Room. And, as always, the amazing hard work and generosity of our staff, board members, volunteers, donors, participants, and partners made funding these plans possible.

In 2023 EEUCC's Little Legends Daycare soared to new heights. The legwork of elevating from a STARS 2 to a STARS 4 rating was carried out through the back half of 2023.

Funding from the Eden Hall Foundation got us over the hump in our efforts to pay for our entire building expansion upon completion, and a grant from the United Way of Southwestern Pennsylvania led to a field trip to Washington DC for our out-of-school time students. Our core programming and services including the Silver Generations Senior Social Program, monthly food pantry, and community gardening continued to be refined, and our truancy mitigation program supervisors began talks to expand into Westmoreland County. And we continued to grow our Community Based Care Management program which connects our community with resources to meet basic needs through our great partnership with the Fayette County Behavioral Health Administration.

EEUCC received a Fayette County Tourism grant from the Laurel Highlands Visitors Bureau in 2023 that focuses on African American Tourism. This allowed us to begin a more in-depth partnership with One Voice One Community in bringing a Juneteenth Unity Fest Celebration to Fayette County in 2024. In a lot of ways 2023 really set the table to grow important initiatives.

We once again refined our staff in 2023, deciding to add a full time assistant director, assistant daycare director, and a special projects position that is dedicated to creating newsletters, renovating our website, and posting to our social media outlets come the following year.

As you will read in this Annual Report there are a lot of different components to East End United Community Center, and all the aspects that create our fabric are connected in some form or fashion.

We are committed to improving daily, and the result will be a thriving community in which everyone is valued. Thank you all for all that you do!

# 2023 AT A GLANCE...

## LITTLE LEGENDS DAYCARE

### Meet our new Daycare Director, Laura Strauch!

“I'm honored and excited to have joined Little Legends Daycare as the Director in May 2023. It's a rare opportunity for a childcare director to step into an established center with a dedicated and experienced team, so I feel incredibly fortunate. I hold a degree in Child Development and Family Studies from West Virginia University and have nearly 15 years of experience as an Early Childhood classroom teacher. During that time, I taught all age groups, earned my Private School Teaching Certification, and served as co-director at another Uniontown area center.” - Laura

2023 has been a transformative year for our Little Legends Daycare. Despite coming to a temporary close at the beginning of the year, we rebuilt stronger than ever. With 30 children, 8 dedicated daycare teachers, and a new director, we made necessary corrections and refocused our efforts, which our staff expertly implemented in the classrooms.

We have begun a journey toward achieving STARS 4 status, which involved introducing new assessments, observation tools, and creating individualized goals for each child to guide our lesson planning. Overall, it was a productive year, laying a strong foundation for Little Legends and setting the stage for exciting future developments.

## 21ST CCLC OUT-OF-SCHOOL TIME

We had another successful year providing education, food, fun, and a safe space for the 150 children in our Out-of-School Time (OST) Program. Each day, the kids received a hot meal, followed by homework assistance and an educational activity. This program runs four days a week from 3:00pm - 5:30 pm during the school year and for a month during summer break.

Throughout the year, we hosted inspiring speakers, organized exciting field trips, and grew together as a community. Special thanks to all of the teachers and our program director, Casey Sirochman, for their dedication and hard work in making Out-of-School Time a success.

## SILVER GENERATIONS

Silver Generations is a program designed for adults aged 55 and older, who gather once a week at the community center. Participants come together to share a meal, play games, listen to music, and connect with one another. This program began in 2011, when Pat Henderson changed its name from the original “East End Concerned Citizens.” Our kitchen manger, Nancy Reed, took over in 2014 and has been running it ever since.

## ENGLISH AS A SECOND LANGUAGE CLASSES

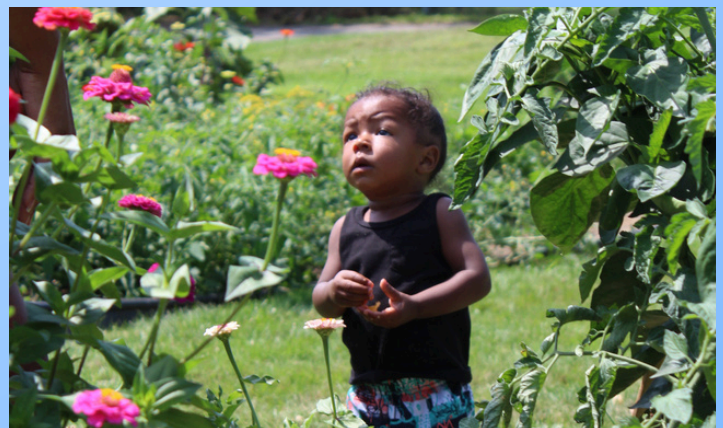

Erika Reidman had a successful year teaching our English as a Second Language (ESL) classes. They meet once a week for lessons and took field trips to local restaurants or stores to practice interacting with native English speakers. Special thank you to Erika for dedicating her skillset to helping others!

## NUTRITION ASSISTANCE

We have continued to offer nutrition assistance to the community through the Child and Adult Care Food Program (CACFP), the monthly food pantry, Farm to School, and our community garden. Here's a little bit about each program:

- **CACFP** - A federal program that provides reimbursements for nutritious meals and snacks to eligible children and adults.
- **Food Pantry** - We partner with Fayette County Community Action Agency to distribute free food on the first Wednesday of every month.
- **Farm to School** - A grant that provides financial support for our community garden and field trips to local farms for the OST program.
- **Community Garden** - Mr. Dave Meredith volunteers his time to take care of the garden, which is a free food source offered 24/7 to everyone in the community. The garden is also used to teach children about gardening with hands-on experience.

# EMPLOYEE SPOTLIGHT

## LENDORA WALTERS

Lendora “Dora” Walters has been a cherished part of Little Legends Daycare for the past 8 years. With a CDA in Infant Development, she brings a wealth of knowledge and experience to our team.

Dora was born and raised in Buffington, PA and continues to live there to this day. She even lives on a street named, “Walters Ln” after her family! Among our staff, Dora is known as the, "Child Whisperer.” Her unique ability to connect with and positively impact children who face challenges is truly remarkable.

As the caretaker of her family, she’s helped raise all of her nieces and nephews, bringing that same nurturing spirit to our daycare. Her favorite days are "Fun Fridays," where she gets to choose exciting activities for the children, making each week a little brighter.

She always brings a touch of kindness and warmth into the Center. We are so lucky to have her on our team!

## BOARD MEMBER SPOTLIGHT SHERRIFF JAMES CUSTER

Sheriff James Custer has played an integral role in helping EEUCC reach its full potential in 2023, and we are so grateful to have him with us. James began his career with the Pennsylvania State Police in 1989, where he served until his retirement in 2011. Upon retiring, he joined the Fayette County Sheriff's Office as a deputy sheriff.

In 2015, he was elected Sheriff of Fayette County and is now serving his third term in office! The leadership skills he has gained throughout his career have made for an amazing Board President. He has been dependable, encouraging, and positive through all the trials and tribulations that have come our way.

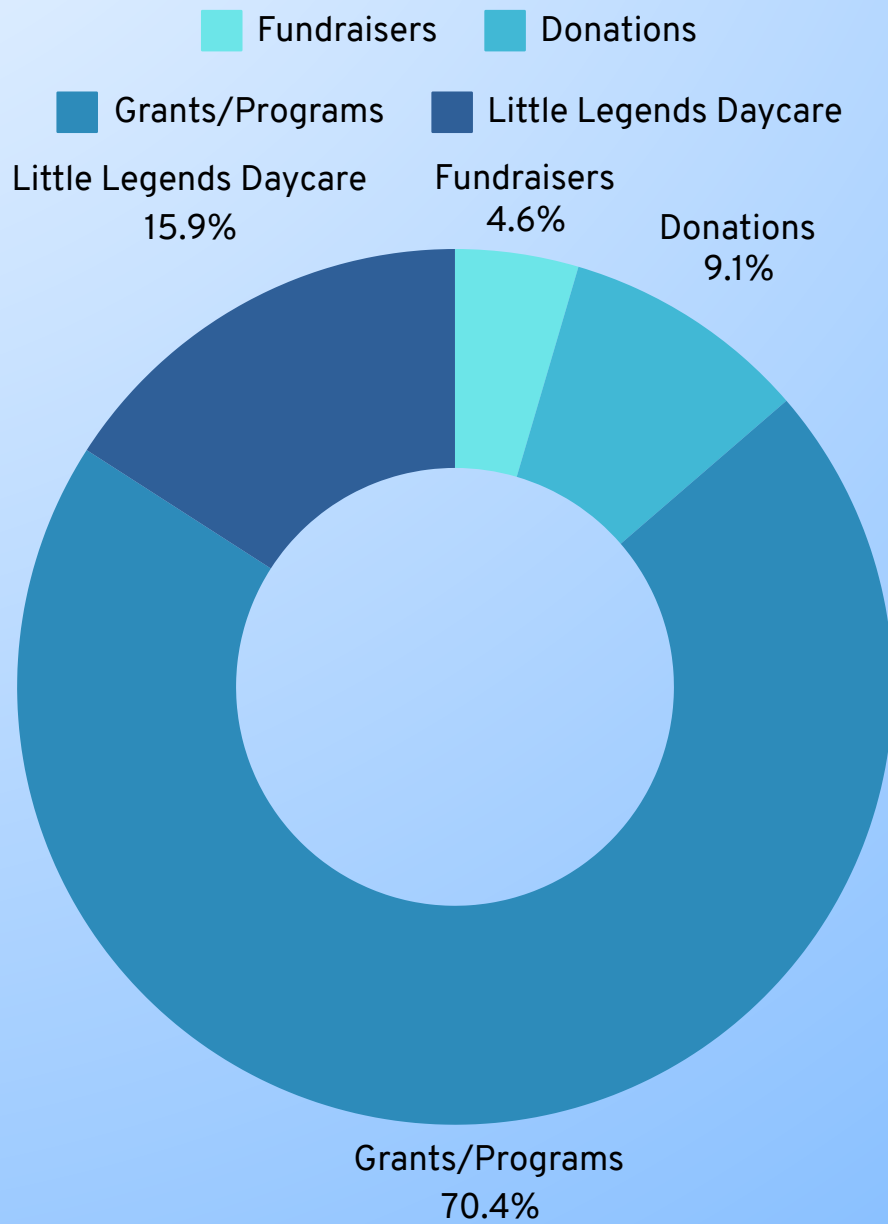

James has a deep commitment to community service, safety, and collaboration. His dedication to our center has been truly inspiring. Thank you, Sheriff, for everything you do!
